Behind the Scenes in Egypt

One of my most memorable experiences in the nineties, was taking a prayer team to Egypt. Six of us—three men and three women, had studied Egyptology for almost one year. It was a marvelous experience to walk through the land where Moses commanded, "Let my people go" and to stand on the highway facing Israel to proclaim a highway to holiness will come this way. As you read to the end of my newsletter, you will see that how although Egypt is at a time of great chaos, the Lord Jesus has a redemptive, restorative plan for them.

The biblical prophecies about Egypt should not be ignored. I have Christian friends in Egypt who are reporting to me the events happening there now from their perspective. President Mubarak's resignation may have set into motion the beginnings of Isaiah 19.

Egypt In Scripture

But what do we know about Egypt in light of the Scripture? The prophecy spoken by Isaiah tells us several things starting in verse 12.

“Where are your wise men now? Let them show you and make known what the Lord Almighty has planned against Egypt. The officials of Zoan (present day ruins of Tanis, where the seat of government was ruled by the Pharaohs) have become fools, the leaders of Memphis (present day Cairo) are deceived; the cornerstones of her peoples have led Egypt astray. The Lord has poured into them a spirit of dizziness; they make Egypt stagger in all that she does, as a drunkard staggers around in his vomit. In that day the Egyptians will be like women. They will shudder with fear at the uplifted hand that the Lord Almighty raises against them.”

This is the way I see the prophecy of Egypt coming forth in the years to come.

- The Muslim Brotherhood will gain control of the government and the general population will encounter their worst nightmare. From this oppressive Muslim Brotherhood, we will see Is. 19:5-6 *“The waters of the river will dry up, and the riverbed will be parched and dry. The canals will stink; the streams of Egypt will dwindle and dry up.”* Islamic control will cut off the oil supply from the Suez, threatening the nations of the world with destruction. Almost everything we do, and product we use is oil-dependent, including the food we eat!
- A spirit of confusion or dizziness has been poured on them NOW. Presently they are happy to be free from Mubarak, but time will unfold a far more sinister plan for them. From the ruthless terror, fear and deeper repression, they will cry out to the Lord Jesus. (Over 30% of Egyptians are Christians)

- We will see a national revival and awakening spring up in Egypt. *“In that day there will be an altar to the Lord in the heart of Egypt, and a monument to the Lord at its border. It will be a sign and witness to the Lord Almighty in the land of Egypt. When they cry out to the Lord because of their oppressors, he will send them a savior and defender, and he will rescue them.” V. 19-20*
- After their affliction, God will make Himself known to the Egyptian people, resulting in worship and grain offerings sacrificed.

The most important biblical revelation concerning Egypt is this:

- *“In that day there will be a highway from Egypt to Assyria (present day Iraq). The Assyrians (Iraqis) will go to Egypt and the Egyptians to Assyria. The Egyptians and Assyrians will worship together. In that day Israel will be the third, along with Egypt and Assyria, a blessing on the earth. The Lord Almighty will bless them, saying, ‘Blessed be Egypt, my people, Assyria, my handiwork, and Israel, my inheritance.’”*

In the coming years, because of Jesus Christ, a covenant relationship between Egypt, Israel and Iraq will occur. Eccl. 4:12 tells us *“a three-fold cord is not easily broken.”* Close to 355 times the number three is used in Scripture. It’s the most often used number in the Bible.

Our Assignment

What are we to do?

1. Pray for Egypt to turn to Jesus Christ. Ask the Lord to bring strength and boldness to the Christians living there.
2. Pray they fulfill all God has for them as a nation.
3. Ask God to open the highway of holiness between Israel, Egypt and Iraq, for many will be ushered into salvation during this period.
4. Pray Hab. 2:14 that the glory of the Lord will cover the earth as the waters cover the sea.

Discerning the Climate of the City by Alice Smith is a booklet that will inspire you to experience breakthrough for your city. She rightly points out, we can't win a city we don't love. Let Alice teach you the necessary strategies to diagnose spiritual darkness, and why root bondage of past generations are a significant key to victory for any town, city, state or nation.

Alice writes, "Diagnosis doesn't always mean assignment." Why is this important, and what does she mean? It's because to know something's wrong and even to have revelation of what it is, isn't necessarily an assignment for one to "take action." *Even the right action at the wrong time is the wrong action!*

Learn how and why the "Rambo technique," moving on one's own into warfare without specific heavenly directive, can be calamitous. Alice, a seasoned practitioner, will teach you effective warfare techniques.

You'll read with fascination her stories of amazing breakthroughs. Get this booklet today and you'll forever see the spiritual dimension in a new way.
